ALBUM INFOS:

Each album of MYSTIC PROPHECY sets the bar higher, and the media always wonders: „How will the band top this release next time?“

MYSTIC PROPHECY now accepts this challenge for the 10th time and they, against all odds, don't serve new songs this time, but cover classics, which have not been or were rarely covered, even though they are considered as milestones in music history!

From „You Keep Me Hangin' On“ by Kim Wilde - which will both please headbanging enthusiasts as well as those who like to bust a move - to „Hot Stuff“ by Donna Summer or „Shadow On The Wall“ by Mike Oldfield; no matter if it is Lenny Kravitz, Patti Smith, Elton John, Monster Magnet or Creedence Clearwater Revival, MYSTIC PROPHECY sure know how to metal them up!

Statement R.D. Liapakis:

„I've always been a huge fan of pop and rock music of the 70's, 80's & 90's and I always asked myself, how these songs would sound MYSTIC PROPHECY-style. That's why I began searching for well-known songs, that also mean something to me personally and that bring back memories, respectively. Personally, I think that the 70's and 80's are the golden age of pop and rock music; a time that also influenced me musically. It's tough to cover songs, adding your own signature sound while making sure that the song itself is still recognizable.

This album is like a love letter to the music that accompanied so many of us, myself included - and believe me, you have not heard the songs like this before! I'm also really excited to show you a new and different side of MYSTIC PROPHECY!“
