**BAND BIOGRAPHY:**

JADE HEART has become a top-class German hard rock/melodic metal institution since the band came into existence 23 years ago. They turned into a German/Swedish formation when they were joined by singer Johan Fahlberg and guitarist Peter Östros in 2005 and in 2006, respectively. In spring 2014, the band introduced their new drummer Bodo Stricker (Aeverium, ex-Callejon). In addition, their live guitarist Masahiro Eto officially joined too. With all these years and the line-up changes behind them, JADE HEART is going stronger than ever!

Their critically acclaimed 12th album „Guilty By Design“ appeared in spring 2016. After successful appearances at various festivals with bands such as Treat or Loudness, the band rocked the stage as a support for Alter Bridge in fall 2017 and started an intensive songwriting session. In November 2017, they went to the Performance Studio in Frankfurt again to start recording.
